Amy Gonzales, City Secretary

**Citizen Comments:**

**Jerry Smith:** Dates on agenda should now be 2014 not 2013.

**Marvin Olson:** 1. The recycle bins in front of the office are unsightly and should be placed in a privacy fenced area.  
2. The Council should speak louder into microphones.

**Brad Littlefield:** Ordinance 59 does not have a code of enforcement and we need to have a corrected and lawful ordinance drawn up by our attorney. The Valley is famous for corruption and unlawful search and seizure of property and the inspectors can come onto property whenever they want to.
